JUMBO TOILET TISSUE DISPENSER

Steiner and hygiene. Your health is our priority.

Steiner has the right solution for all your "hand hygiene" needs. A simple and economical solution which improves hygiene, makes hand washing more effective and improves well-being and comfort.

Tailored solutions to your needs.

Over the years, we have learned that our customers' needs differ considerably, depending on required usage, type of activity and situation. We are justifiably proud of our range, which responds to each of these needs. Steiner systems make life easier for the customer. Whether you need a system for airport washrooms, a car factory paint shop or a top restaurant kitchen, you can count on Steiner to provide the best solution.

Wide range.

We are proud of our wide range of products and of the fact that Steiner solutions offer so much more. Steiner solutions combine high quality hygiene products and well-designed dispensers with reliable service. Our systems guarantee full customer satisfaction, whatever your needs.

High quality service guaranteed.

This added value creates a number of possibilities and covers a wide range of services at different levels, from basic advice to in-depth training on hygiene in the workplace.

Inox Line

The Steiner range of stainless steel dispensers enhances the image of any wash-room. Its elegant design and clean lines, as well as numerous functions to make maintenance easier, are very appealing. The dispensers are extremely robust and resistant to fingerprints and cigarette burns. The high quality material is easy to maintain and can be cleaned with all types of detergents and solvents. Inox Line dispensers give your washrooms a touch of luxury.
